Proper and consistent use of the products in this dispenser reduces the chances of spreading infectious bacteria and viruses, such as those found in MRSA, SARS, or C-diff. Protection System Isolation Bundles are ideal for all patient care areas where isolation is required.

* Protection System (PS) Isolation Bundles hold flat-pack or laundered gowns or two boxes of isolation gowns, one box of face shields, three boxes of gloves, and miscellaneous items in an open compartment

* Alternatively, the face shield section can hold an additional box of thumb loop gowns and the open compartment can hold a fourth box of gloves

* The bundle includes a sign holder that clips on the front of the dispenser and holds a vertical sign, and a standard door hanger

* A variety of free Isolation Protection signs can be downloaded and printed from the Bowman website
