

Sani-Center PPE Vending Machine

Item#: Sani-Center

Provide consumers with safe and easy access to personal protection equipment (PPE), safety products, medical supplies, and disinfecting supplies with the Sani-Center PPE Vending Machine. With social distancing being the new norm, the Sani-Center offers a seamless, contactless transaction allowing consumers to access the essential PPE and safety products they need through a contactless payment experience and without having to wait in a checkout line or interact with a cashier.

Within a small footprint for space-restricted locations, the Sani-Center PPE Vending Machines features 25 unique product selections, to vend a variety of popular safety products and medical supplies including disinfectant wipes, latex gloves, medical masks, tissues, bandages, hand sanitizer, and other PPE supplies.

The Sani-Center features with configurable flex trays, allowing you to offer products of various sizes and shapes, including small spray bottles, mini sanitizers, medical face masks, and even sanitizing wipes to clean surfaces.

Cashless payment platform features cashless payment in order to provide consumers with a contactless payment transaction experience (credit cards, debit cards or a mobile wallet such as Apple Pay and Google Pay).
