

## **Endoscope Transport GOcart/P6204**

Brand: MASS

Item#: MSP6204

Material: High-density Polyethylene (HDPE)  
Plastic

Dimensions: W21.25" x H38.75" x D25"

GOcart™ is designed to defend against scope damage and prevent cross-contamination during transport to storage, procedures, or decontamination. An open frame design offers increased visibility to reduce cleaning time and gapless construction discourages debris accumulation. The MASS™ GOcart™ Scope Transport System is precisely engineered for value and performance

\*Includes 4 Scope Transport Trays with Lids

\*Trays are autoclavable

\*Molded ABS top has raised edges to contain spills

\*Small and compact
