

Utility Table/7852SS

Brand: Blickman

Item#: BL7852SS / 0257852000

Material: Stainless Steel

Dimensions: W20" x H34" x D16"

Weight: 32 lbs

Utility Table with 2 Shelves

*Popular in the OR and throughout healthcare facilities for their ability to store equipment and provide work surfaces.

*Superior construction includes a supporting channel underneath the top shelf of the drawer configurations to enhance its strength.

*Ergonomic working height, 34", for reduced back stress.

*Shelves Only Model Includes two shelves 17" and 34" off the ground each with four-sided guardrails.

*Drawer models include one to four drawers - one to three drawers models include a lower shelf. Drawers models include ball-bearing slides for easy sliding drawers, a positive stop to prevent accidental drawer removal and 3-sided guardrails for protection on the top surface.

*All models mobile on 3" rubber casters.
