DETECTO's Rescue series medical carts come in multiple color options (red, blue, yellow, and white) with five or six drawers and 360-degree rotation for tight corners. DETECTO's carts are manufactured from quality steel cart body construction that is powder-coat painted for durability with ABS countertops that are easy to clean. The keyed or EMG breakaway central lock secures all drawers at the same time for added convenience. The carts' 5-inch-diameter wheels feature two parking locks and one steering lock. ABS bumpers protect all four corners of the medical carts. The push handle offers a user-friendly design. Multiple optional accessories are available to customize your cart or you may purchase a fully-loaded cart pre-stocked with typical accessories.
