

Space Station Two Tier Back Table

Brand: Pedigo

Item#: CDS-3060

Material: Stainless Steel

Dimensions: W: Main Table- 60" Top Shelf- 60" x
H: Main Table- 34" Shelf- adjustable height from
49.9" to 52.9" x D: Main table- 30" Top Shelf- 20"

A specialty back table designed with additional room for large cases such as orthopedics, spinal fusions, neuro and craniotomies. The tuck-away cantilevered shelf holds multiple trays and is angled for clear observation of instruments.

The Space Station is easily rolled into position using 4" diameter, heavy-duty ball bearing brake/swivel casters. To lock swivel caster, simply engage the single-pedal brake.

Pneumatic assist enables one-person operation in raising or lowering the cantilevered shelf. Shelf is easily raised when extra space is required, or lowered into storage position if not needed. Cantilevered shelf features a 10° slope and has an adjustable height from 49.9" to 52.9".
