

Wide Anesthesia Cart WXGKU-333669-DKB

Brand: Waterloo

Item#: WXGKU-333669-DKB

Material: Steel Standard

Lock Type: Key Lock

Dimensions: W36" x H45" x D24.5"

By going wider, you don't have to go taller to store a large amount of supplies. Specially built for anesthesia, our wide cart is a great option to keep your cart top work surface at an ergonomic height, while providing maximum storage capacity.

Features include:

- * Economical steel construction
- * Standard key lock (Keyless lock options available)
- * 16 drawer colors and three wood grain finishes to choose from - Dark Blue Drawers pictured
- * Steel construction makes the durable - Light Gray Frame pictured (three frame colors and three wood grain finishes to choose from)

CONFIGURATION:

- * (3) Small: 3"H Drawer
- * (2) Medium: 6"H Drawer
- * (1) Large: 9"H Drawer

DRAWERS DIMENSIONS: 29"W x 17"D

OPTIONAL FEATURES:

- * Wide horizontal rail system (BRS-2W) with tilt bins of your choice
